

JUNE 1990

## ILLINOIS ORCHID SOCIETY

FOUNDED IN 1952

### The President's Message

John Stubbings 708/480-1532

WHO: Illinois Orchid Society

WHAT: JUNE AWARDS BRUNCH

WHEN: June 24, 1990  
(4th Sunday)

WHERE: Tower Garden Restaurant  
9925 Gross Point Road  
Skokie, Illinois

The Brunch will begin at 11:30 a.m. and will be followed by a program given Otto Leupi who will talk on species and their culture. Otto has been growing orchids for 16 years and specializes in the epidendrum alliance. He will share his know-how with us so that we can all be award winners.

This is our annual awards brunch where the IOS gives awards to the growers with the highest point scores accumulated from shows and meetings during the previous year. There will be NO plant judging or sales.

The cost is \$20 per person, checks should be made out to the Illinois Orchid Society and sent to Sue Golan. You will find a reservation form elsewhere in this newsletter. Be sure to come -- a good time is always had by all!

What a surprise! This will be my last message after two years at the helm. Starting next month, Sue Golan will begin her term. I would like to thank Sue for her marvelous programs the past two years. Also, we were very fortunate to have Jan Sikora as Fall and Away Show Chairman, and Jim Spatzek as our Spring Show Co-chairman. We will all miss Phyllis Kelley as Assistant Secretary and Newsletter Editor after 9 years! Our Treasurer, Laura Littlechilds will be passing on her books to me. Finally, we thank Ed Gamson and Dave Jones for their assistance as members of the Board of Directors. The remaining officers and board members, whether new or in new positions, will all need your help to make the Society function well. I'm sure Sue will be contacting many of the committee heads to continue on. I want to encourage all of you to attend the Brunch. This has been a regular feature event of the Society for about six years, and has proven to be popular and a lot of fun. Best wishes to all and thanks so much for your help the past two years.

### BRUNCH DIRECTIONS

The Tower Garden restaurant is located at 9925 Gross Point Road. Coming from the south, take either Dempster (from 41) or Golf (from the tollway) and head east to Gross Point Road, then north to the restaurant.

MAY MEETING

ELECTION OF 1990-91 OFFICERS

The attendance at the May meeting really gave our speaker a terrific turnout. "Doc" Charles did a great job speaking about "Something Old, Something New." He spoke of the different species and indicated which were the first discovered and how they were used in hybridizing. The program was enjoyed by all and we thank him for bringing it to us.

The Officers and Directors for the upcoming year were recommended to the membership by the Nominating Committee at the May meeting, with one change. The motion was made by Jim Spatzek and seconded by Jack Coutts, and the vote was unanimous.

We also extend our thanks to Heddi Schellback for helping out at the last minute with the refreshment table after the program, even though she was expecting guests at home for dinner, shortly after the meeting.

MID-AMERICA ORCHID SEMINAR

IN MEMORIAM

This Seminar will be held June 22-24, 1990 at Indiana University. The program will cover many genera, including Laelia, Phalaenopsis, Oncidium, Paphiopedilum, Phragmipedium and Sophronitis. For further information, contact Ruth Ann Townsend, Conference Coordinator at the Indiana University Conference Bureau, Indiana Memorial Union L-9, Bloomington, Indiana. Phone 812/855-4661.

Dr. Richard Clements passed away Tuesday, May 29, 1990. "Doc" was a world-renowned Paphiopedilum and Phragmipedium grower. Over the years he has won scores of AOS Awards, mostly for species, and recently even received two FCCs! "Doc" was a delight to know, and I am sure anyone who dealt with him will miss him considerably.

ADIEU

In the years that I have had the good fortune to write the IOS Newsletter, it has been my pleasure to work with a great bunch of orchid lovers. The cooperation I have experienced in receiving information from those involved has helped me publish this on a timely basis. I have truly enjoyed doing this, and will surely miss it. But I am now retired and do not want to adhere to any more deadlines that prevent me from roaming the country at my leisure. My interest will continue in the Society and its ongoing activities. Thanks for all of your help, it's been lots of fun.....Phyllis Kelley
